Saving For Your Dreams

Here are some ways to help you reach your savings goal:

- **Keep your eye on your goal.** To keep you motivated, find a picture that illustrates your dream and put it where you'll see it everyday.
- **Drop all your spare quarters and dimes into a special container.** Coins will add up quickly.
- **Control your impulse spending.** When tempted to buy something, ask yourself if that purchase is more important than your dream.
- **Leave your money at home.** Carry only the cash you'll need for the day so you won't be tempted to spend it all.
- **Open a savings account at LibertyOne Credit Union and earn interest.** Your money will earn more money when you keep it in a savings account.

With a little self-control and some patience, you'll soon be living your dream!
